

Appendix 8 MSSC Member Protection Policy Registration Form

Each year at our presentation for registration a variety of documents must be read, understood, agreed and signed by the participant or if under the age of eighteen a parent or guardian. All the documents form the terms and conditions around our behaviour and responsibilities, individually and as a club. If we do not abide by the rules and regulations as a club we can be held liable in a number of ways; legally, financially or disaffiliated from our peak body organisations (FFA, Football NSW, AWFA, FFV). To keep documentation streamlined and efficient we have combined the relevant information for your signature to this one document.

This signed consent form is the responsibility of the registrar who shall complete an authorised name list for the publicity officer consent to take images of your child. Please read the member protection policy before signing. If you have any questions or wish to access digital copies of your child's images please email secretary@myrtlefordsoccer.com.au
